Electric Vehicle Charging Station Account Set-up Instructions

1. Go to evercharge.net/signup. Fill out the form.
2. EverCharge will receive your completed signup form and send back a "Complete Signup Link" to the email address you listed. In order to complete your signup you must accept the Member Service Agreement.
3. EverCharge will receive notification that you have completed the signup process.
4. EverCharge will then mail out your Access Cards (2 cards per set) to your address (please make sure to include your apt/unit # so cards get mailed directly to you).
5. To begin charging your vehicle you will need the access card. You will tap the card on charge unit to initiate an active charge to your vehicle.

The EverCharge charge stations can only be initiated by the access cards each resident will receive after signing up. If an access card(s) is lost or stolen please contact Customer Support:
